As desired in your letter No C 800-7 dated 11-4-1936, I have the honour to forward herewith the resolutions of the Chennarayapatna and Sravanabelagola Minor Municipal Councils re the appointment of independent Assistant Sanitary Inspectors for each Municipality and to state as follows -

1 As already stated in my letter No C 2512-35 dated 27/28th March 36, one combined Sanitary Inspector cannot manage the work in both the Municipalities, with his head-quarters at Chennarayapatna Both the Municipal Councils have been pressing for the appointment of independent Assistant Sanitary Inspectors from a long time

2 In these circumstances, I request you to be so good as to move the Government to kindly accord sanction to the resolutions and on receipt of orders, transfer the existing Sanitary Inspector to some other place where there is a vacancy and appoint two Assistant Inspectors in his place at a very early date

3 The connected records ending with Chennarayapatna Municipal President's report No C 79-35 dated 22nd June 1936 together with the proposition statements are enclosed for kind perusal

With reference to your memo No S I.P T 1503-2 dated 14-2-1936, transferring Mr K.L Suryanarayana Setti, Sanitary Inspector, Sravanabelagola and Chennarayapatna Municipalities to Hosadurga and posting Mr Sarode in his place, I have the honour to state as follows -

I had requested in my letter No C 1569-34 dated 23-9-1935, that Mr Suryanarayana Setti might be transferred to a Municipality where there was a vacancy and to allow the Chennarayapatna and Sravanabelagola Municipalities to employ independent Assistant Sanitary Inspectors But one Mr Sarode has been posted in his place The latter has already joined duty at Chennarayapatna

In this connection, I wish to bring to your kind notice that a combined Sanitary Inspector for both the Municipalities cannot show any progress in either of the Municipalities These two Municipal Councils have been agitating for the abolition of this combined post and for the appointment of Sanitary Maistries or Assistant Sanitary Inspectors from a long time I think that their request is reasonable One Sanitary Inspector with his Head quarters at Chennarayapatna cannot manage the work in both the places

In these circumstances, I request you to be so good as to provide Mr Sarode elsewhere and allow these Municipalities to employ independent Assistant Sanitary Inspectors after obtaining Government sanction

The favour of a very early reply is requested
